

DEPARTMENT OF ADMINISTRATIVE SERVICES FACILITIES DIVISION

WATER CONSERVATION OPERATIONAL PROCEDURE

May 1, 2003

For Summer Seasons 2003-2004

- A. 25% reduction of City water irrigated lawns from year 2000 levels.
15% reduction of well water irrigated lawns from year 2000 levels (see Exceptions).
- B. Water planting beds as usual.
- C. Utilize recycled well water by day where practical. (Note: testing and experimentation will occur.)
- D. All decorative fountains to remain off.

- Exceptions:**
- 1. Lawns less than 1 year old to be watered fully.
 - 2. Central Park sand base soil area and Revenue lawn to be watered fully.
These areas are green roofs.
 - 3. High traffic use "play" areas in Park settings to be watered fully.

POLICY TO TAKE EFFECT MAY 1, 2003.
